It is the same ground of rejection previously applied in the first Office Action so it is not a new ground of rejection and it does not constitute one of the grounds of refusal to enter the Amendment because it does not raise any new issues which would require further search or consideration, it is not new matter, and the Amendment After Final, as a whole, materially reduces the issues for Appeal.

If there are any questions regarding this amendment or the application in general, a telephone call to the undersigned would be appreciated since this should expedite the prosecution of the application for all concerned.

If necessary to effect a timely response, this paper should be considered as a petition for an Extension of Time sufficient to effect a timely response, and please charge any deficiency in fees or credit any overpayments to Deposit Account No. 05-1323 (Docket #056284.50645US).

Respectfully submitted,
